WARRANTY AND CAUTION INFORMATION

WARRANTY: Installation of Buell® Pro-Series products, and similar products from other manufacturers, except some street-legal offerings installed by authorized Buell dealers, may affect your Buell limited vehicle warranty. See your dealer for more information.

CAUTION: Buell motorcycles modified with some Buell Pro-Series performance engine parts must not be used on public roads and in some cases may be restricted to closed-course competition.

CAUTION ICONS

GO Light: These Buell Pro-Series products are 50-state street legal for sale and use on all vehicles, including those that are pollution controlled.

Stophand: Buell motorcycles modified with some performance engine parts must not be used on public roads and in some cases may be restricted to closed-course competition. Those performance parts identified with a stophand symbol are US EPA legal, but are NOT legal for sale or use in California on pollution controlled motor vehicles. California guidelines on tampering can also lead to substantial fines and penalties.

Race Flag: Buell motorcycles modified with some Buell Pro-Series performance engine parts must not be used on public roads and in some cases may be restricted to closed-course competition. In this section, all engine-related performance parts identified with the race flag symbol are intended for racing applications only and are not legal for sale or use in California on pollution-controlled vehicles. Alterations of emission-related components constitutes tampering under the US EPA guidelines and can lead to substantial fines and penalties.

Buell, Firebolt, Blast, Lightning and the Buell logo are among trademarks of H-D Michigan, Inc. All others are trademarks of their respective owners.
