ULYSSES™

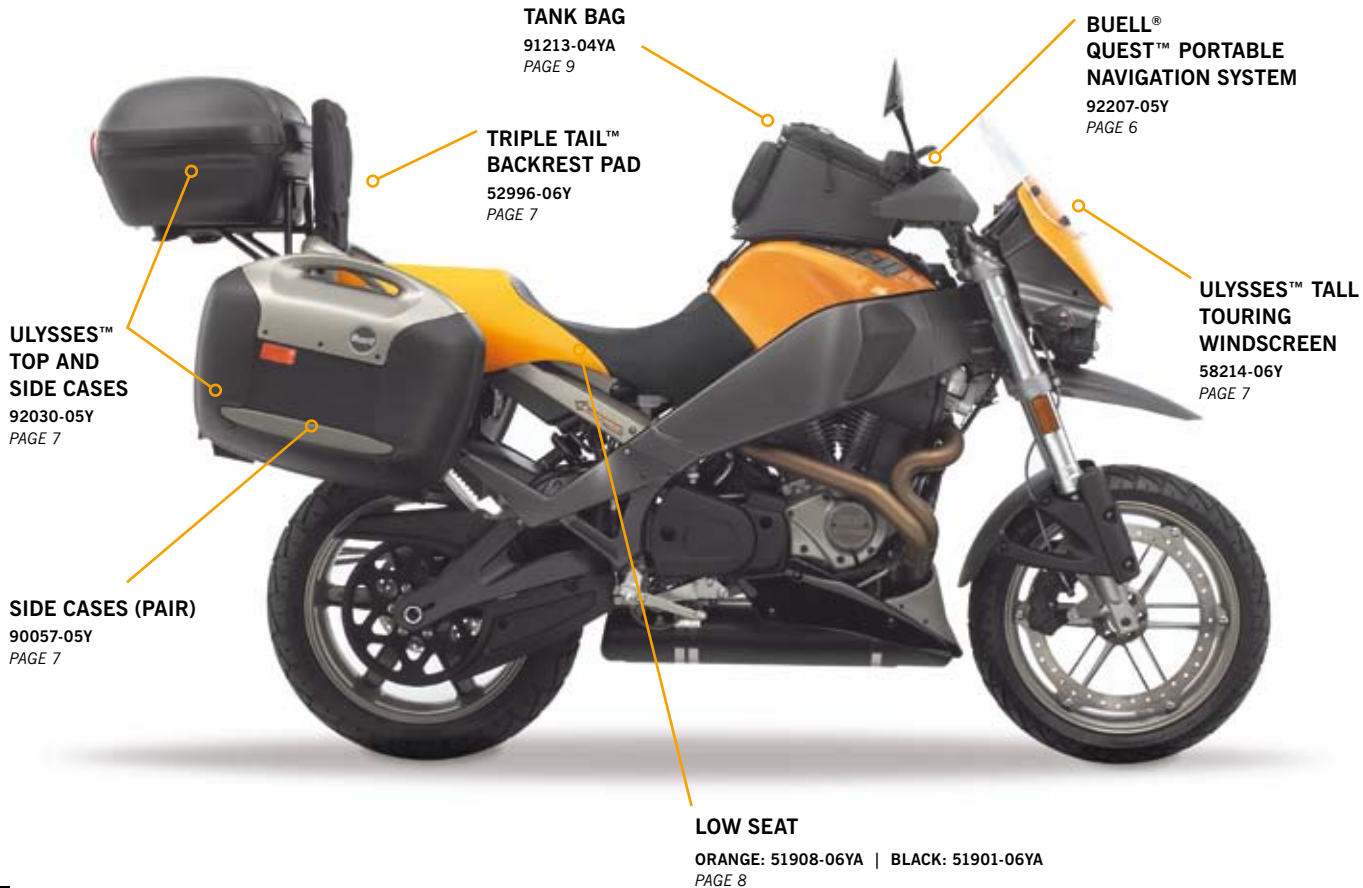

XB12X

All the legendary Buell handling you'd expect, taken to every corner of the earth. The Ulysses™ motorcycle blazes new trails with its rugged style, all day comfort and common sense practicality. Now with a comprehensive range of luggage, GPS Satellite Navigation, ergonomic and touring accessories, it's everything a rider needs to go anywhere a rider wants to go, in comfort and style.

ULYSSES™ XB12X ACCESSORIES

A. BUELL® QUEST™ PORTABLE NAVIGATION SYSTEM

The waterproof Portable Navigation System is able to keep up with you and your Ulysses™ no matter where you go.

15 megabytes of memory gives you the freedom to go almost anywhere with enough information to plan your cross country journeys or store complete, detailed maps of multiple areas.

Automatic routing to guide you to your destination with turn-by-turn visual map directions and voice prompts. Built-in Trip Information Page that calculates your speed, direction, distance, elapsed time and other travel data - all with incredible accuracy.

Integrated "Find" feature that helps you locate and plot the route to Buell® Dealers, key attractions, service outlets, or local points of interest. Unique housing charges your system as you ride, mounts just to the side of the right switch controls.

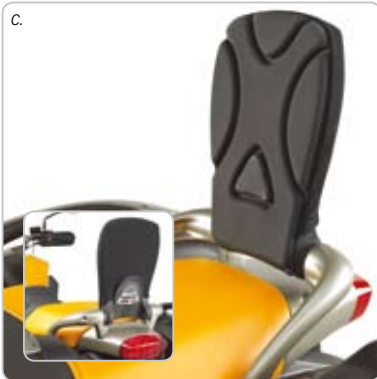

Kit includes mounting bracket with all necessary hardware for easy installation and an ear piece that fits comfortably under your helmet to hear directions.

Covers: Great Britain, Republic of Ireland, Denmark, Finland, Norway, Sweden, Germany, France, Benelux, Italy, Austria, Switzerland, Liechtenstein, Spain, Portugal, Czech Republic and Greece.
